DeliveryReport: PMSubject: Open SeasonOpen season for health benefits runs through December 8. I will distribute
ReturnReceipt: information packets to each of you this afternoon. This is the only time of the year (other than for significant
Categories: life changes) that you may change your benefits so please take time to look over the information. I have the
necessary forms and brochures for a few of the plans in my office. There are not enough brochures for
everyone to take them so please look at the ones you are interested in and return them to my office for others
to see. If any of you have any questions, please feel free to ask. Thanks.
