Subject:	Re: configuration part 2
Body:	We do not have a copy of Eudora or a windows 95 machine currently at the Desk that Dean Hall will be using.Could you send the College's Eudora down to me on a disk and we will work out the 95 machine for his next meeting.if you could include the DNS and ip information I can configure the computer for it.The address for the disk isARRB600 E Street NW2nd FloorWashington DC 20530Attn: Chet RhodesTo:"Chet_Rhodes/ARRB%ARRB" @ jfk-arrb.govcc:kehall @ pop.service.ohio-state.edu From:garofano.1 @ osu.edu @ INTERNET @ INTERLIANT Date:11/13/97 08:05:38 AMSubject:configuration part 2Dear Mr. Rhodes,After I sent you the last message, Dean Hall mentioned that he would beusing a machine at your location, not his portable. You will already havewhat you need within '95, but do you have eudora? It might be best if wetouch base tomorrow on the configuration, along with some dns/ip #'s you'llneed. I'll bring my notebook in from home so we'll have an "off campus"configuration in front of me. I am free between 11am-1pm and 2p-4p.Thanks,Michael J.
