Subject: Re: Cuba Documents Release

Neil Lewis of the Times DC Bureau wrote the article on the NSA documents a couple of months ago. We talk to Weiner everytime we release something. We talked to him yesterday and sent the documents over to him. He is always polite and interested, but obviously very busy. At any rate, the times has now written two good articles on our last two releases, so we're happy about that.

I see that Tim Weiner did a piece on it in this morning's NYT. Tim, as you know, was a student of mine. He never gives much of a play to the Board. Do you talk to him?
