Subject: Per our paged conversation  
The issue, as we discussed, is that the new format for the  
"By Box #" view, when printed out in hardcopy, cuts/lops off the last digit in the HSCA record numbers in the  
first column . I'd like to print out a corrected copy for Peter to take to NARA tomorrow morning, so if you can  
adjust it tonight that would be great! Many thanks!
