He did his usual Minnesota cool! It was a pretty good piece (Irene and Peter had cameo appearances). I'll either save the tape here for you or send it up to you next week. It's on the same tape as the Hersh interviews from the other night on CNBC. I know I don't have to tell you this, but Eileen did a great job this week under extremely busy and at time trying circumstances. And as always, she kept her cool. We are lucky to have her!

Please save that tape! Don't tape "Profiler" or Touched By An Angel" this weekend! Did Jack do well?
