**Subject:** Re: Thanks

Thank you very much for these kind words. I think it was a very good week for us, too. I did enjoy it, and couldn't have contributed without your past and continuing guidance. So -- thank you.

Subject: ThanksE-This was a very, very good week for us. I think we gained more coverage and more credibility. You played a major role and I thank you for your hours, dedication, professionalism, cool and courtesy. You have helped immensely to foster a positive identity for the Board among the press and the public. Over all, I thought the week was pretty cool. Despite the pressure and the pace, I hope you had some fun. Again, thanks.
