Date: 11/24/97 04:02:29 PMSubject: FYITeresa is coming by in the morning to give me her references and to pick up her security paperwork. She will also have info for me on her recent clearance and I'll get guidance from DeeDee on what we can do with it. I told Teresa that if her references check out we anticipate making her an offer soon. She was very happy!Chet has said he will call the references that are computer related so they can do that "tekkie talk".
