Subject: Re: Records Sent to the Archives

This is good news. I will mention it in the staff meeting today. I think Joe also made significant progress on related issues last week, although we have a ways to go. To: Jeremy Gunncc: From: Tom Samoluk/ARRB Date: 11/24/97 09:31:51 PM Subject: Records Sent to the Archives I wasn't sure if you were aware of this, but we made great strides in getting documents to the Archives last week when a large shipment of FBI and CIA records was shipped out to College Park. I don't have the specifics in front of me (Eileen will be providing a detailed list), but I the FBI is caught up through the August meeting and I believe the CIA is caught up through the July meeting with the exception of some name documents. After I met with Bob, Kevin and Eileen, they all started to move on getting the records out to the Archives. Eileen stayed on the project and made the arrangements to get the documents to the Archives. I will emphasize that we have to keep up with the records making it to the Archives.
