No problem.I will fax you a copy of the receipt. With CIA records, we are actually up to and including November 1997 consent releases, which is different than what I told you yesterday. They, along with October CIA consent releases went out without my knowing, but Bob quickly brought it to my attention, and I then notified Martha Murphy, who added them to her receipt.The November 1997 CIA consent releases have yet to be noticed in the Fed. Reg., but they were ready, so they were sent.To: Eileencc: Jeremy, Tracy
