Subject: Re: NSA referral to FBI
Go for it. Let her know that you need her to rush. Then, let me know if you need help.

Subject: NSA referral to FBI FYI: Tom is particularly interested in releasing a particular NSA document that contains FBI equities. Sydney informed me that the person who handles NSA docs over there (Debbie) is not in this week. I am hoping to take the document (and others) over to Debbie next week -- hopefully, she will be able to process them quickly. If not, we may need for you to help us in pushing the review of that document forward. Please see me if you have any questions about our "plan." Thanks.
