Anna, Thanks for your message. From my personal observations of the Board, I have had the sense that it would be beneficial to have more unstructured time together rather than additional structured time. I had hoped that the meals and the pre-dinner break would provide the members with more favorable opportunities to discuss issues on a more personal basis and in less formal settings. That said, I really would like to do whatever the members believe best serves their needs. I strongly urge you to raise this issue with the others so that the best agenda (within the constraints of The Wicked Sunshine Act) can be set.

Jeremy, Considering the amount of time we are giving to the Annapolis trip, we are not spending much time on discussions. Do we need such a long break before dinner? Can we start at 8:15 for an extra half hour? (Notice, no suggestion that we short change lunch or dinner!!)
