**Subject:** Re: November Document Summary  
Thank you. I spent (a little) time in State College over the weekend. Were you there? Cute place. To: Eileen Sullivan/ARRBcc: Bob Skwirot/ARRB From: Peter Voth/ARRB Date: 11/28/97 09:50:08  
AMSubject: November Document SummaryThe Board considered 229 documents at the November meeting. 1/4 of the documents were from the HSCA, while the remainder were from the CIA. The CIA documents consisted mainly of cables to and from the Mexico City and JMWAVEstations regarding a variety of administrative and operational topics. In addition, there were a number of documents containing biographical information on several figures related to the assassination story. The HSCA documents included notes of CIA files and cables, especially regarding biographical information.
