Subject: Re: Dallas Trip Report/a James Tague file
Kevin:Thank you. It would be helpful to know exactly what is open and what is not open. If there are some records that are not open in which Tague is mentioned, it could be helpful with regard to future cooperation from Tague if we could get those opened up and let him know about it.Again, thanks for your efforts.

The highlighted documents are from the Dallas LHO file and the Dallas JFK Investigation file. It makes sense that these documents would reference Tague since he was a witness to the assassination. I will look at the documents and determine if it looks like the FBI kept a "Tague" file
