No answer yet on when she needs it. Thanks for your efforts.

At the end of October, we did provide Anna with a "before and after" CIA document related to "operational plans in Cuba." It is a very good "b&a" document because of the contrast in redactions, however Anna seems to be looking for something "brief but juicy." I guess that one does not qualify.I checked with Bob and he is not sure if that document is still here. He could not think of a particularly "hot" document off the top of his head, but said he would look into finding one. When does she need these?
