Subject: Re: BIG news:

Bob, great news! I'm happy for both of you, and I expect to be regaled with tales of holiday adventure! I am sorry I will miss the two of you, but I'm sure there will be other opportunities. Spoke with my friend Mr. Chung recently. His home town, An Song County, is becoming a city (a step up from the county level, I guess) next year, and he wants me to join him on a trip to Korea at the end of next March to join in the commemoration of the historic event. Unlikely I'll go, but clearly there's something about these Korean connections that seem to stand the test of time...
