Subject: Re: Ben's project

I'm available any time that's convenient for the two of you. Sorry I didn't check my e-mails early enough today (got distracted by a few items, some furry and some not) to set a time with you. I guess I'd suggest noontime or thereabouts your time, but you're welcome to give me a try earlier if that's convenient for you. Unless I'm out on a brief newspaper/Starbucks/grocery store run because Finn is asleep, I'll be here.

What would be a convenient time for Ben and I to call you on Monday to discuss HSCA stuff?
