Subject: Re: DIA Compliance

I started the letter Friday, and am about 25% completed with it. I will get it to Jeremy as soon as I can for his review, emendation, and signature. I expect that will be this afternoon. I will not let an agency which has dragged its feet dictate to me any deadline whatsoever. I we get it out today, fine. If its tomorrow, that's also fine. It is DIA which must comply with the JFK Act, not the ARRB with DIA's internal political problems. To: Jeremy Gunn/ARRB, Douglas Horne/ARRBcc: From: Ron Haron/ARRB Date: 12/08/97 09:08:16 AM Subject: DIA Compliance CALL REPORT Document's Author: Ron Haron/ARRB Date Created: 12/08/97 The Players Who initiated the call? Review Board's representative in the call: Ron Haron Defense Intelligence Agency's representative in the call: Anne Winner Description of the Call Date: 12/08/97 Subject: DIA Compliance Summary of the Call: Anne Winner left me a voice mail this morning. She had received my message from Friday that we want DIA to defer filing of its Final Compliance Statement until it has completed its work under the JFK Act, including the processing of DIA assassination records identified to date. She has no problem with our approach. However, since she has already submitted her compliance statement for DIA approval, Ms. Winner asked that our approach be memorialized in writing in a letter faxed to her today, if possible. She also asked for guidance on the processing of the assassination records so far identified. I assume, per prior discussion, that Doug Horne will respond to Ms. Winner. I recommend that Ms Winner be called today and told (1) our letter will be sent to her today or tomorrow (2) that copies of the DIA documents should be provided to the Review Board with an identification of whether DIA agrees to release all or part of each document and whether any documents need to be referred to another agency (e.g., CIA). Don't forget to compose individual Action Item documents for any action items that resulted from the call!
