collectionConway said that Ferrell is giving Lancer her database (an updated version of what we have; which
reminds me, our agreement with Mary was that what we have loaded in our system of hers would not go to
the Archives with our records). Lancer will sell it and the proceeds will be used to fund a student scholarship
in Ferrell's name. Mary is also giving Lancer her "Oswald timeline." The rest of Ferrell's records have not been
the subject of discussion with Lancer.
