Subject: Re: Juan Salvat HSCA Testimony
There is an HSCA interview with Salvat (2 pages) that had been held for a name issue. This document is now Open in Full. I have requested that the CIA expedite its processing. I hope that we will have it within a couple of weeks. If not, I will contact the CIA again.

Body: To: Bob Skwirot/ARRBcc: From: Tom Samoluk/ARRB Date: 12/10/97 10:48:03 AM Subject: Juan Salvat HSCA Testimony
Bob: I understand that the HSCA testimony of Juan Salvat was supposed to be in the CIA review pipeline for declassification. I think it was something that we had asked them to expedite a long time ago. I was wondering if you knew, or could check, where in the pipeline the Salvat testimony is? Thanks.
