Subject: Re: CIA Records Going to NARA

Bob:Thanks. Let's try to get August out to the Archives next week. If the volume of paper is not too great, I know Jim is going out there on Monday. With regard to September, please stay on them, as much as you can. We've made a great dent in the backlog thanks to your efforts and now we have to emphasize to the CIA folks that we want to keep it up. I know Barry will say, "well, if we are doing that we can't do, etc. etc., etc."Again, thanks.

Subject: Re: CIA Records Going to NARA-We have CIA records outstanding from the August, September, October and November meetings.-Most of the August meeting documents are in the SCIF, ready to go to NARA. There are a few corrections that were sent back to CIA. I called today to remind CIA about them. They are again a priority for them.-September was a high volume meeting. CIA is preparing those records as we speak (tap keyboards?).-As far as I know October and November are not being processed yet.
