Eileen:For your advisory...[Something like: "The Review Board's November meeting resulted in the release of 2995 FBI documents. 2319 of the documents are consent releases. The remaining 676 documents are postponed in part. Although the Review Board voted on a few documents from the "core and related" files, the majority of the documents originated in the HSCA subject files. Most of the HSCA subjects contain records that shed at least some light on issues that the HSCA explored as potentially relevant to the assassination of President Kennedy. The Review Board voted on documents from HSCA subjects such as: Gus Alex, Orlando Bosch Avila, Frank Chavez, Angelo Bruno, Maurice Lerner, MDC, Arthur Balletti, Cuba Libre, E. Howard Hunt, Sam Giancana, Gilberto Lopez, Mike Shore, and John Eli Stone.To: Laura Denk/ARRB, Kevin Tiernan/ARRBcc: Eileen Sullivan/ARRB Date: 12/09/97 02:26:48 PM Subject: Nov. 1997 Bd. meetinghi. Sorry I did not ask for this earlier -- I need a summary of the content of these Nov. mtg. documents. Thanks.
