**Subject:** Re: abbreviations  
COMUSMACV is Commander, United States Military Assistance Command, Vietnam. For example, Gen. Westmoreland was COMUSMACV. This would be the senior US military officer in South Vietnam who is tasked with commanding all US military forces in country. RVNAF is Republic of Vietnam, Air Force. This was the South Vietnamese Air Force. DA is Department of the Army under most circumstances, but could be something different depending upon the context.
