Subject: Re: HSCA cross-ref
Are we sure that 180-10088-10667 has not been opened in full inadvertently?180-10088-10667 (010667)
There is a routine postponement that needs to be taken, however, the RIF form indicates that it is "open in full" The others, of course, are no problem. To: Kevin Tiernan/ARRBcc: From: Manuel Legaspi/ARRB
Date: 01/05/98 11:49:20 AM Subject: HSCA cross-ref I looked over the NSA records I was able to find through a search for keyword "NSA" in the HSCA cross-ref database. My prelim findings are: 180-10088-10667 (010667) There is a routine postponement that needs to be taken, however, the RIF form indicates that it is "open in full" 180-10075-10332 (009799) This record can be open in full. Dups of this document have already been fully declassified. 180-10096-10370 (009506) This record can be open in full. Dups of this document have already been fully declassified. 180-10096-10371 (not found through database search) This record can be open in full. Dups of this document have already been fully declassified.
