Subject: Re: Ike Library

Body: 13 out of 16 Ike docs have been sent to Doug's inter-agency review session. No docs have completed review, as nearly all required NSC or OSD processing and there appears to be a sizable back-log in these areas. The NSC rep. will be in tomorrow and Wed., so these docs should be done shortly. The remaining 3 docs have been referred to the FBI. FBI is in the process of finding the originals at their Picket Street storage sight. I will give Debbie Beatty a call today to get a retrieval date. Let me know if you have any questions.--Ben
