**Subject:** Re: Addresses

Dear Mantik: Thank you for providing me with your new address. I have updated the mailing list to reflect this change. I will be happy to remove Ms. James from our mailing list, however, I will need to receive the request from her. Just as we do not add names to the list without receiving the request directly from the individual, we do not remove them unless notified directly. I hope you understand this policy. Again, thank you for notifying me about your change of address. Please let Ms. James know that I will remove her name as soon as she contacts me by phone, fax, or in writing. Sincerely, Eileen Sullivan
