Subject: Re: FAREWELL AMERICA appendices

Dear Mr. Dix: Thank you for writing and for forwarding the appendices to the Review Board. This material, along with all other leads and suggestions that we receive, will be reviewed by the appropriate staff members. Again, thank you for forwarding this information, and thank you for your continued interest in the work of the Review Board. Sincerely, Eileen A. Sullivan
Press and Public Affairs Officer

Subject: FAREWELL AMERICA appendices
Ms. Sullivan, This attachment includes the two appendices from the infamous book FAREWELL AMERICA supposedly written by pro Gaullist French intelligence officers to expose the conspiracy to assassinate. The book does not do that being little more than a collection of inuendo and speculation. The appendices are useful in that they list files and documents not then (1967) released to the public. Many have been released since then, but many more have not. I do not know what all the ARRB has released, but this might be a guide against which your people might be able to check for important not yet found documents. The subject matter of these documents certainly points in the direction of a conspiracy when you tie the many subjects together. But, that is just my opinion. Dave
