Subject: Re: Sydney and Ford

Since he is leaving, I guess it is kind of a moot point that he misled all of us at that meeting in Tracy's office. But, it is bothersome because at that point he said that he had been averaging about two hours a day on Ford and Warren Commission for the past three weeks. (2 hours per day X 5 days per week X 3 weeks = 30 hours.) Now, when I tallied the numbers at the meeting, we all knew, including him, that the numbers simply did not add up. But, there was hope that he would turn it around. I guess the important thing now is to get as much information out of him as possible before he departs. To: Tom Samoluk/ARRBcc: From: Jeremy Gunn/ARRB Date: 01/12/98 07:22:59 AM Subject: Sydney and Ford I went over Ford Library records with Sydney on Friday. I could see no evidence that he had done any work in at least two months. Records that we received from NSC -- including the RFK record -- had not been touched. He could not answer any questions about numbers of records referred, status, outstanding records, etc.
