Subject: Re: Zapruder Film

Dear Clint:Thanks for writing. The matter regarding the Zapruder film is still pending, and I do not have any updates at this time. We will, however, keep you informed when there are developments.EileenTo:Eileen_Sullivan @ jfk-arrb.govcc:1bcc: Eileen Sullivan/ARRB)From:atd @ pe.net @ INTERNET @ INTERLIANT Date:01/13/98 07:08:37 AM PSTSubject:Zapruder FilmGood day, Eileen!MANY thanks for forwarding to me the selected copies of your latestrelease...if I remember correctly, you were in the office - workin' hard-on the eve of Christmas Eve. THAT'S dedication!Eileen - what is the progress on the Zapruder film action taken lastyear?"August 1, 1998" was a tentative "target date" set by the ARRB to obtain a best-available copy for the Collection. Has the "compensation" matter to the Zapruder family attorney been resolved? Any other hitches?(Personally, Eileen, this whole matter scares me. The Zapruder family attorney was apparently contacted to receive permission to use the Zfilm on that Medio/MacMillan CD-ROM, "JFK Assassination - A Visual Investigation." But THAT widely-viewed version of the Zapruder film is really weird - with its "mysterious white blob" covering the President's head. And there are other problems with that "version." It most certainly is NOT as "clean" as, say, Robert Groden's copy which he claims is a "Secret Service copy" and made available on his video, The Assassination Films.) Anyway, many thanks for your support and efforts, Eileen! - Clint (using my wife's computer) Bradford
