Subject: Re: SCI clearances for declass session

Today I called the following agencies/people and asked them to pass their SCI clearances to us; I asked them all to pass the clearance information to Tracy, and gave them our fax number:State (Nina Noring): she says Hugh Woodward does not have one anymore, but that she does and hers should already be on file with us. I asked her to be here on February 4th (the first day of the slumber party) to review Ford Library documents.NSC (Lisa Salvetti): I asked her to renew her expired T.S. and to pass her SCI.Joint Staff (Paul Jacobsmeyer): Paul took the message--presumably he would be passing both his and Will Kammer's SCI clearances. DIA may have to pass it for them.OSD (Ralph Novak): I left a voice mail for Ralph. CAVEAT: Even if Ralph has an SCI clearance, he is "Cuba Desk" only.CIA: I asked Michelle to pass this requirement to Barry Harrelson.I will not ask Army unless someone tells me there are Army equities in the Ford Library documents.To: Tracy Shycoff/ARRB, Sydney Reddy/ARRB, Douglas Horne/ARRB, Kim Herd/ARRB, Michelle Combs/ARRBcc: From: Jeremy Gunn/ARRB Date: 01/18/98 05:40:34 AMSubject: SCI clearances for declass sessionPlease speak with each other and take appropriate steps to get SCI clearances passed to us for the Ford documents for the declass session.
