PSTSubject: Niagara Falls ExhibitGood day, Eileen.You have probably already heard about this: the Niagara Falls JFK Exhibitowner has filed for bankruptcy protection. Attached is the list of JFK-related assets that a "auction-like" firm is trying to dispose of.When I talked to the owner of the auction firm and mentioned the factthatthe Assassination Records Review Board might desire some items in thecourse of their work, he said, "Huh? Who?"SO - the firm is merely involved to raise cash. And I don't know howmuch"influence" the ARRB can use with Canadian bankruptcy judges...<grin>Anyway - the list of items is attached. I do not know if there isanythinghere that the ARRB is interested in or not. Timing is fairly critical -Ibelieve the first meeting of creditors is at the end of next week - soanyletters pleading with the BK judge should be in his/her hands by then. - Clint Bradford Pg...1 ESTATE OF "JFK ASSASSINATION CENTER"
