**Subject:** Re: Clarence Daniel Smelley  
I reviewed 72-1561, (James Riddle Hoffa; Clarence Daniel Smelley; Unknown Subjects), which is the Headquarters file responsive to our request FBI-18. The entire file (127 pages) should be processed by the Bureau under the JFK Act. The field office files in Birmingham and Memphis were destroyed in the 1970s, and therefore were not provided.
