Subject: Re: HL Hunt's investigation

Dear Mr. Wexler, thank you for your e-mail. Given the tremendous volume of federal records being reviewed by the Board and staff, the finite period of time that we have to fulfill our mandate, and the large number of leads and suggestions with which we are dealing, it is not possible to predict when particular matters will be reviewed or to provide updates to individuals who have provided us with information. Again, we appreciate your input and that of many other individuals who have sought to assist us in completing our work. Sincerely, Eileen Sullivan
