UGG!! (you go girl!)To:ALLcc:From:Christina Mays/ARRBDate:02/05/98 10:32:17 AMSubject:OdorThe engineer came up to check on the strong Diesel odor that's lingering around the office. He said that they have the spillage under control in the garage, and that it's just a matter of time for the bad air to recycle with fresh air.He will do a follow up later this afternoon. If you notice the odor getting worse, please let me know ASAP.
Body: Basically, there's nothing we can do, but wait.
