AMSubject: Call from Elaine Rogic
Elaine Rogic called yesterday regarding when we are going to send out our final letters to those agencies that still have IRR documents outstanding. She reminded me that the deadline that we had given IRR was 1 March, which puts the onus on us to get these letters out. Ms. Rogic also expressed concern over getting some of the IRR documents presented to the board for review at the next Board meeting. She wants to get feedback on IRR's redactions while they have a staff tasked with this project and before our suspense date. Should I complete a formal call report on this conversation?
