Anita, do you know if this was taken care of and we are now current in our payments? If not, should I process the bills that I have here or give it more time? Thanks for your help. I have another customer number that should be handled through the interfund process. Customer 167077 Assassination Records Review Board 600 E Street NW Second Fl Washington, DC 20530 Agency Code 4821 BOAC 473989 FedCode AA Coding: 9898.T1191100.00.23.000.380.5101 The charges for their other account, AA350119, are currently processing as interfunds without any problems. The client hasn't been able to get total access to the TOPS Web page for their backup, but she is working on it with Joanne Pare. Please make the changes necessary to have this second account processed through interfund. Also, when you do get it set up, will any outstanding amounts due, go ahead and bill? I understand the customer may have some GSA 789s. Thank you for the help, Anita Phetteplace 6BCEP 816-926-7227
