Subject:	Re: correspondence from Mike Ravnitzky
Body:	Can we get some documentation on this agency? For example; (a) statutory authorization; (b) creation by regs; (c) brochure; (d) order creating it? I don't want this to turn into a big project, but I would like a little more confirmation if reasonably available.To:Eileen Sullivan/ARRBcc:Jeremy Gunn/ARRB, Tom Samoluk/ARRBFrom:Michelle Combs/ARRBDate:02/25/98 10:18:06 AMSubject: Re: correspondence from Mike RavnitzkyI spoke with Sgt. Klemtke the NCOIC from the Sensitive Records and Information Agency this morning. They do belong to the Army. They were organized in 1993 to hold information on special access programs. They also have some court case documents. According to Sgt. Klemtke, the oldest document SRIA has is dated 1986. Their files do not go back any further than 1986. He referred me to NARA, INSCOM, and IRR for older material. Sgt. Klemtke also told me they had received a FOIA request from Ravnitzky.If you need any additional information, let me know.To:Eileen Sullivan/ARRBcc:Tom Samoluk/ARRB, Michelle Combs/ARRBFrom:Jeremy Gunn/ARRBDate:02/25/98 07:00:38 AMSubject: Re: correspondence from Mike RavnitzkyMichelle is looking into this.
