**Subject:** Re: Jack's meeting with Bob Clark tomorrow

In response to the ARRB's request for additional information for all records relating to John Abt, FBI-11, the FBI provided its files on Abt. The FBI team has completed its review of the Abt files and located 24 records that we believe should be processed under the terms of the JFK Act. We will request that the FBI process these 24 documents for inclusion in the JFK Collection. And, no, I'm not sure exactly when the FBI will have these documents processed and out at the Archives, but I'll let you (and Bob Clarke) know.
