Subject: Re: BRILAB Letter
Cathy -- the letter can go into the 4.0.2 file, but the motion and the attached conversations (with yellow highlightre) should come back to me. They are still officially under seal of court and should not be part of the general files unless a court removes the seal. I have a special BriLab folder where I keep all of this stuff that says "RECORDS UNDER SEAL" on the front.I wouldn't worry about the Investigative 7 series file on BriLab. We're beyond the investigative point with this issue.Thanks.To: Laura Denk/ARRBcc:From:Cathy Rodriguez/ARRB Date:03/13/98 11:03:28 AMSubject:BRILAB LetterWith regard to the brilab letter from yesterday , where would u like the file copy and attachments with yellow highliter?
