Subject: Re: Archive tapes
I have been sending the Friday backup tapes to Steve (I sent a batch on 2/27). The backups that we missed were February 6, 13, and 20. All the others since the first of the year are either at NARA or in my desk.

Peter has been doing the back-ups for a while now so maybe he knows. The last few weeks of back-ups that I did were when the server wasn't working properly and we weren't getting Friday back-ups. And then the new server was being brought up on Sunday's when you were in so the back-ups never finished. Peter have you been sending the tapes to Steve? Kevin needs to recover some lost data.
