Subject: Re: Letter to LtCol Finnie at Navy OGC Re: Navy Compliance

At issue is whether they (ONI) wanted her to, and whether she did. We will try to find out. The current ONI position is that such searches are not ONI's responsibility, but that of NCIS. This rather confusing matter was discussed at a meeting early Friday morning, Ron, between Jeremy, Kim and I. I had assumed that Cdr. Pike of ONI had done so when she visited the various FRC's around the country. Did Cdr. Pike not search the records of the DIO's?
