Subject: Re: e-mail list

Dear Mr. Bierma: Thank you for writing. I have added your address to our electronic mailing list. The Board has been releasing documents related to the assassination of President Kennedy since June of 1995. A total of approximately 37,000 documents have been added to the JFK Collection at the National Archives as a result of the Board's efforts. These documents include records from the federal government, state and local governments, and private citizens. The Review Board is authorized to continue operations until September 30, 1998. I hope this information is helpful to you. Please let me know if you would like more information, or if you have any questions. Sincerely, Eileen A. Sullivan
Press and Public Affairs Officer

Please include me on your ARRB news and advisory list. I would like to know how the declassification and discovery of documents re the JFK assassination is going. Also, I would like to know how much longer the ARRB will be in existence.
Sincerely, Royce
