Thanks for your message. I have not yet spoken to Jack, though I have left messages. I'm sorry you will miss the conference call. It is usually easiest to reach me early in the morning.

Poor Carol. I suspect she is just the "water carrier" on this one. It is, ofcourse, an outrage that they have made this decision at this point. Unless theysent a formal letter in 1997, they have no grounds for delay it seems to me.A verbal "we can never do it on time" won't do. I'm all for the ultimateweapon. How does Jack feel? By the way, I will be boarding a plane during the conference call. I'lltry to speak to you on Wed. When is the best time to call? Very early or late.
