ABSOLUTELY. This should not go unnoticed. Fanfare. Prizes. I'll bring the laptop home and work on the release through the night. Wait til Burton's committee gets a load o' this.

Shouldn't Eileen prepare a press release to commemorate the occasion? AND! Do we want to mention this to Congress in our April report?

We are fast approaching the millionth copy on the back copier. We have made 994,458 as of this moment. The Noblesville High School interns are doing a big FBI copying job, and it is quite possible that we could reach 1,000,000 before the end of this week. Everyone watch the counter.
