Subject: Summer Temporary Employees

Body: As I mentioned in a Board meeting a couple of months ago, we have been pursuing identifying some summer employees to help us during the critical months. We have now identified, interviewed, and done reference checks on two people whom we think should be hired in temporary positions for the summer. They are very cheap (in that no benefits need be paid) and they are on a \$25,000 yearly salary basis. We may consider hiring one additional person.I am assuming that this is okay. Please let me know if you perceive a problem.
