**Subject:** Eileen --I am a first year law student at George Washington University and have been trying to find something interesting to get involved with this summer. My Property professor, Robert Brauneis, recently mentioned to me his involvement with the ARRB. I haven't yet had a chance to talk with him extensively about it, but what I heard sounds very interesting.If you are still looking for some help this summer, I would love to come down there and talk with someone about it. Please feel free to email or call me at any time. My phone # is 202-338-8597.  
**Thanks,** John D. Larimer
