Dear Mr. Matthew: The HSCA Summary of Findings and Recommendations was submitted on January 2, 1979, if you would like to do a newspaper search. The Final Report was then issued on March 29, 1979. Your library may have a copy of this report as well. I hope this is helpful to you. Dear Ms. Sullivan, I am trying to find a concise summary of the findings of the HSCA on Assassinations re: President Kennedy. I understand that there may have been different findings from the Warren Commission. Does such an unbiased document exist of the official record. A newspaper story from either The New York Times or The Washington Post would suffice if I could obtain the release date of the official report. Any help you could provide would be greatly appreciated. Sincerely, John Matthew jmmatt333@aol.com
