Hi Max. Our final report will probably not be completed until September, so until then, there really won't be any product to look at. It will, of course, be completed by Sept. 30. Does that work for you? We are planning to release the "medical depositions" before we close, but there is no set date at this time. I imagine sometime this summer..... Let me know if you have any questions. Eileen

Eileen, D Magazine--D as in Dallas--has asked me to write an article for their special issue this November on--guess what--the 35th anniversary of the assassination. My contribution is supposed to be about all the documents you all have been gathering. Since their deadline will be well in advance of the November pub date, I was wondering if and when I might be able to get (hopefully an advance) peek at your final report. I promise not to leak it. While I've got you, by the way, could you also tell me if any arrangements have been made for release of the interviews of the Bethesda doctors and others interviewed by Jeremy, et. al. Thanks, as  
always, Max \_\_\_\_\_ You don't
