Subject: Re: FBI transfer of documents
He called earlier today to ask if we were doing one -- I told him that I still need to talk to Jeremy about it. But I did tell Steve that the FBI was doing a press release. I just wanted to make doubly-sure with you.

Yes. I can't confirm whether it went out, though, because LuAnn left for the day at about noon. She had said that she would fax it to me before it went. I have a message in to Steve to ask about it, but he hasn't called back yet.

If I remember correctly, you said that the FBI was definitely doing a press release about the big transfer to NARA. Right?
