The last thing I have is a 2/12/98 letter from Tom S. to Steve Tyler sending two signed originals and one photocopy of the deed. I do not have a deed that is signed by Tyler. Would you like for me to print out two more originals for Jeremy's signature?

I just talked to Mr. Tyler. He thinks he signed the DOG sent to him on February 12, 1998 and sent it back but he is not sure (the reason he thinks he did this is that he had no reason not to). I do not have a copy -- do you?  
Possible scenarios: 1. he will find it at home, sign it, send it. 2. we will locate it here. 3. send another DOG to him.
