**Subject:** Re: correspondence from Dr. Gary Aguilar

You can do a follow-up e-mail that says:"I understand that Jeremy Gunn spoke with you by telephone about this issue. He advises me that we are aware of this issue and that we have attempted, unsuccessfully, to find any additional records that would account for the problem you suggest."To: Jeremy Gunn/ARRBcc: Eileen Sullivan/ARRBDate: 05/07/98 05:24:29 PMSubject: Re: correspondence from Dr. Gary AguilarAbout a month ago we received a letter from Dr. Aguilar. He asked if we ever came across any FBI memos regarding an alleged June 12, 1964 interview of Parkland Hospital employees Darrell Tomlinson and O.P. Wright. According to Aguilar, one of the topics raised would have been their observations of CE #399I gave you a copy -- was this forwarded to anyone that I can follow up with? thanks.
